

Parent-Completed Student Interest Inventory

Dear Parents,

The purposes of this inventory is to give me a clear picture of some of your child's interests, so that we can capitalize on some of them over the course of the school year. Thank you for completing this survey. Please return to school by _____.

Yours truly,

1. What are your child's favourite subjects in school?
2. What subjects are your child's least favourite?
3. What are your child's interests outside of school?
4. What TV programs, movies and books hold your child's interest?
5. When your child has free time, what do they choose to do?
6. What kinds of careers has your child expressed an interest in?
7. What kinds of things does your child like to learn about?
8. Describe how your child learns best (in a quiet place, with others, talking, etc.)
9. What else can you tell me about your child's interests and how they learn best?
10. What are two words that best describe your child?
